**Fobbit** David Abrams

***Fobbit* /'fä-bit/, noun. Definition: A U.S. soldier stationed at a Forward Operating Base who avoids combat by remaining at the base, esp. during Operation Iraqi Freedom (2003-2011). Pejorative.**

In the satirical tradition of *Catch-22* and *M\*A\*S\*H*, *Fobbit* takes us into the chaotic world of Baghdad's Forward Operating Base Triumph. The Forward Operating base, or FOB, is like the back-office of the battlefield – where people eat and sleep, and where a lot of soldiers have what looks suspiciously like a desk job. Male and female soldiers are trying to find an empty Porta Potty in which to get acquainted, grunts are playing Xbox and watching NASCAR between missions, and a lot of the senior staff are more concerned about getting to the chow hall in time for the Friday night all-you-can-eat seafood special than worrying about little things like military strategy.

Darkly humorous and based on the author's own experiences in Iraq, *Fobbit* is a fantastic debut that shows us a behind-the-scenes portrait of the real Iraq war.
