## Samhain: October 1901 - November 1908

First published in 1970, this book includes all of the annual editions and also a final pamphlet of *Samhain: October 1901 – November 1908*, a literary magazine edited by W. B. Yeats. *Samhain* was one of the several magazines that the Irish Literary Theatre (later to become The Abbey Theatre) produced and it was born when the original magazine, *Beltaine*, came to an end in 1900. Yeats's editorial role was essential to the publication which served to publicize the work of the Theatre, promote current works of Irish playwrights and challenging those of their English opponents.

The magazine mainly consists of a series of essays on the theatre in Dublin, and supplementing these are explanations and discussions of new plays, excerpts from which are often included. This book will be of interest to those with an interest in Yeats, early nineteenth-century literature, and Irish theatre.
