The Truth about Syria Barry Rubin

Syria has long presented a serious problem for the Middle East region and U.S. policy. With its mix of competing religious and ethnic groups, radical ideologies, and political repression, it is a 72,000-square-mile time bomb waiting to go off. Yet surprisingly, very little is known about this country and the role it has played in shaping the destiny of the Middle East. In *The Truth about Syria*, Middle East expert Barry Rubin looks at the critical issues that have made the country the powderkeg of the Middle East and offers an insightful analysis of the effects of recent developments.
