Health Law (American Casebook Series) Barry Furrow, Thomas Greaney, Sandra Johnson, Timothy Jost, Robert Schwartz

This abridged edition continues to use the broad organization that health law teachers and students found so helpful in the last six editions. Notes material has been trimmed substantially and some cases and sections of the primary casebook have been deleted. The authors' goal was to create a book better suited for schools that have curricular space for only one course, including medical schools and schools of public health.
