For courses in Instructional Media and Technology. Now even more applied, the eighth edition of Instructional Technology and Media for Learning offers a unique chapter-case framework grounded in the popular ASSURE model. This new, integrated chapter-case framework teaches readers to apply current and future computer, multimedia, Internet/intranet, learning foundations, and audiovisual technologies to classroom instruction. It also assists readers in connecting chapter concepts, Companion Website, and CD-ROM resources to classroom application, guides readers through a full case using the ASSURE model, and provides readers with valuable practice in applying the ASSURE model to create lesson plans for their own classrooms.
