Selected Poems (Penguin Classics)

Lord George Gordon Byron

Selected Poems (Penguin Classics) Lord George Gordon Byron **The selected poems of a legendary Romantic**

Described as 'Mad, bad and dangerous to know' by one of his lovers, Lady Caroline Lamb, Lord Byron was the quintessential Romantic. Flamboyant, charismatic and brilliant, he remains almost as notorious for his life - as a political revolutionary, sexual adventurer and traveller - as he does for his literary work. Yet he produced some of the most daring and exuberant poetry of the Romantic age, from 'To Caroline' and 'To Woman' to the satirical English Bards and Scotch Reviewers, his exotic Eastern tales and the colourful narrative of Childe Harold's Pilgrimage, the work that made him famous overnight and gave birth to the idea of the brooding Byronic hero.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
