A House Divided: A Case for Faith-based Collaboration Cecilia Holloman

In a world faced with terrorism and division, God's people are called to be Restorer's of Broken Walls and Repairers of Streets and Dwellings. Believers everywhere are challenged to set the example of love and unity and to bring healing to broken communities, families and individuals. In this nation, that has been founded on the principles of "Unity in Diversity", God's people must walk together in love and power if there is to be healing in the land. Collaboration is the key to such unity and restoration."A House Divided" calls for faith based collaboration in this great nation, celebrating and honoring our creed, "From Many One, E Pluribus Unum."This book boldly proclaims that there can be "No Division" in the White House, in God's House, or in our House."
