Dogsbody

Diana Wynne Jones

Dogsbody Diana Wynne Jones

A funny, heartbreaking, stunning book by the legendary Diana Wynne Jones—with an introduction by Neil Gaiman.

The Dog Star, Sirius, is tried - and found guilty - by his heavenly peers for a murder he did not commit. His sentence: to live on the planet Earth until he can carry out a seemingly impossible mission - the recovery of a deadly weapon known as the Zoi. The first lesson Sirius learns in his lowly earthly form is that humans have all the power. The second is that even though his young mistress loves him, she can't protect either of them. The third - and worst - is that someone out there will do anything to keep Sirius from finding the Zoi. Even if it means destroying Earth itself. This funny, heartbreaking, stunning book features an introduction by Neil Gaiman, an avid fan of Diana Wynne Jones.

From reader reviews:

Amy Cason:

Information is provisions for individuals to get better life, information presently can get by anyone from everywhere. The information can be a understanding or any news even a concern. What people must be consider when those information which is from the former life are challenging be find than now could be taking seriously which one is suitable to believe or which one the particular resource are convinced. If you get the unstable resource then you buy it as your main information you will see huge disadvantage for you. All those possibilities will not happen within you if you take Dogsbody as the daily resource information.

Shelly Rodriguez:

Reading a reserve tends to be new life style on this era globalization. With reading you can get a lot of information which will give you benefit in your life. Together with book everyone in this world can easily share their idea. Guides can also inspire a lot of people. A lot of author can inspire their particular reader with their story or maybe their experience. Not only the storyplot that share in the textbooks. But also they write about the information about something that you need illustration. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors on this planet always try to improve their skill in writing, they also doing some study before they write on their book. One of them is this Dogsbody.

Lisa Cook:
