Organizational Behavior 4: From Theory to Practice

John B. Miner

Organizational Behavior 4: From Theory to Practice John B. Miner

This unique work bridges the gap between theory and practice in organizational behavior. It provides a practical guide to real-life applications of the 35 most significant theories in the field.

The author describes each theory, and then analyzes its usefulness and importance to the successful practice of management. His analysis covers key managerial topics such as goal setting, training and development, assessment, job enrichment, influence processes, decision-making, group processes, organizational development, organizational structuring, and effective organizational operation.
