Vision, when it is received from God can be very overwhelming because its bigger than what we can comprehend. You can't make sense of a Godly vision with a human mind set, or with our ways of understanding. Faith is the key that unlocks the mysteries and releases the manifestation of His vision. Can you believe in the impossible? Can you trust God to do what He has shown you? Vision requires patience because it is God that positions the vision for its release time and season. It is an honor to have received this vision from Him. I believe that it shall come to past. Bishop Nelson and his wife Blondie pastors the Kingdom Embassy of Ministry 58.
