My Music is a first-hand exploration of the diverse roles music plays in people's lives. "What is music about for you?" asked members of the Music in Daily Life Project of some 150 people, and the responses they received -- from the profound to the mundane, from the deeply-felt to the flippant -- reflect highly individualistic relationships to and with music. Susan Crafts, Daniel Cavicchi, and Project Director Charles Keil have collected and edited nearly forty of those interviews to document the diverse ways in which people enjoy, experience, and use music.

CONTRIBUTORS: Charles Keil, George Lipsitz.
