Testing Spoken Language: A Handbook of Oral Testing Techniques (Cambridge Handbooks for Language Teachers) Nic Underhill

This is a handbook of practical testing techniques intended for anyone who has to design, adapt, or use oral tests of English as a foreign language. It is therefore intended for native- and non-native speaker teachers, testers, course designers, and educational planners. The book follows the logical stages of a test program, beginning with the reasons for testing, an analysis of the learner's background and needs, and the resources available. It goes on to present oral test techniques and variations, with comments on each, and finally discusses scoring techniques, monitoring, and improving a test program. Underhill is concerned exclusively with oral tests in which the learner has to speak out loud. Although it is designed for use in teaching English, the book could readily be used to create tests in other languages.

From reader reviews:

Richard Broderick:

Reading a e-book can be one of a lot of task that everyone in the world loves. Do you like reading book thus. There are a lot of reasons why people fantastic. First reading a publication will give you a lot of new info. When you read a reserve you will get new information since book is one of numerous ways to share the information or even their idea. Second, looking at a book will make you actually more imaginative. When you looking at a book especially hype book the author will bring you to definitely imagine the story how the people do it anything. Third, it is possible to share your knowledge to some others. When you read this Testing Spoken Language: A Handbook of Oral Testing Techniques (Cambridge Handbooks for Language Teachers), you can tells your family, friends in addition to soon about yours publication. Your knowledge can inspire others, make them reading a book.

Jose Coleman:

Reading a book tends to be new life style with this era globalization. With examining you can get a lot of information that can give you benefit in your life. Along with book everyone in this world can easily share their idea. Textbooks can also inspire a lot of people. A great deal of author can inspire their particular reader with their story or perhaps their experience. Not only situation that share in the books. But also they write about the ability about something that you need example of this. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors on earth always try to improve their skill in writing, they also doing some exploration before they write with their book. One of them is this Testing Spoken Language: A Handbook of Oral Testing Techniques (Cambridge Handbooks for Language Teachers).

William Rose:

Precisely why? Because this Testing Spoken Language: A Handbook of Oral Testing Techniques (Cambridge Handbooks for Language Teachers) is an unordinary book that the inside of the reserve waiting for you to snap the idea but latter it will jolt you with the secret it inside. Reading this book beside it was fantastic author who all write the book in such amazing way makes the content on the inside easier to understand, entertaining method but still convey the meaning entirely. So , it is good for you for not hesitating having this anymore or you going to regret it. This phenomenal book will give you a lot of positive aspects than the other book include such as help improving your ability and your critical thinking approach. So , still want to delay having that book? If I have been you I will go to the reserve store hurriedly.

Brian Scheele:

Within this era which is the greater man or who has ability to do something more are more important than other. Do you want to become certainly one of it? It is just simple way to have that. What you need to do is just spending your time little but quite enough to enjoy a look at some books. On the list of books in the top

collection in your reading list is *Testing Spoken Language: A Handbook of Oral Testing Techniques* (Cambridge Handbooks for Language Teachers).
