Reading the West: New Essays on the Literature of the American West (Cambridge Studies in American Literature and Culture)

Reading the West: New Essays on the Literature of the American West (Cambridge Studies in American Literature and Culture)

The American West of myth and legend has always exerted a strong hold on the popular imagination, and Reading the West examines the bases of that fascination. These critical essays by writers, independent scholars, and critics on the literature of the American West showcase new ways of reading and understanding western writing. This volume helps enrich our understanding of a distinguished body of literary work that has sometimes been unjustly ignored. It deals not only with literature but also with the changing conception of the West in the American imagination.
