What is "dead faith"? What is "justification by works"? The Epistle of James has been one of the most misunderstood books in the New Testament. Many have been confused by thinking that it contradicts justification by faith alone, apart from works. Many have used James to teach a doctrine of salvation by works. Is that what James meant to say? With careful analysis of the text, Zane Hodges clears up the confusion surrounding this epistle and demonstrates conclusively that it is a message that needs to be taken to heart by Christians everywhere.
