Greetings! "Children Desiring God" exists "To spread a passion for the supremacy of God in all things, through Jesus Christ, for the joy of the next generation." To put it another way, our main mission at CDG is not to sell. Our mission is to spread. In fact, we often discourage people from purchasing anything until they have taken the time to understand the vision that shapes the development of our resources. We believe this DVD will help to introduce people to this vision. Our hope is that it will also benefit those of you who are already using CDG resources and would like a tool to help communicate this vision to others.
