Brown Roots, Blonde Ambition J.J. Hassett

Brown Roots, Blonde Ambition Reviews:

“Belly Laughs! I laughed so hard in parts of this book that my fellow airline passengers must have thought I was crazy. This is a witty, charming, quick read. The author has captured situations and thoughts that most modern American women have experienced at least once in their lives.”

“I have never really laughed out loud while reading a book, but this book was so hilarious that I caught myself laughing on numerous times! Not only was it very funny, but it was also very touching on a level that any woman can relate to.”

“Best Book I’ve Read In A Long Time: This was an absolutely funny book. I related so well to the author's main character, and for the most part I am proud to say that. Her main character was too funny, getting herself into the most ridiculous situations. I know many women could relate to her, even if they do not want to admit to it.”

“Five Stars! What a fantastic book! It was laugh out loud funny! I will recommend this book to all my friends”

“I highly recommend this book to any woman who always felt like she did not quite measure up to the “perfect people”. This book really shows you how unimportant trying to be perfect really is”

"I have never really laughed out loud while reading a book, but this book was so hilarious that I caught myself laughing on numerous times! Not only was it very funny, but it was also very touching on a level that any woman can relate to. I enjoyed the trials and tribulations of Paige Sheehan's story and I can totally sympathize on what it is like to be a 'Skipper'."

Brown Roots, Blonde Ambition Description~

Since 1950, seven out of every ten girls in America have owned a Barbie doll. Paige Sheehan was not one of them. Her mother believed that playing with a doll whose breasts made up half of her body mass was inappropriate for a nine-year-old girl.

During her childhood, Paige was forced to sneak to a friend’s house for her Barbie fixes, where she was directed to play Barbie’s less glamorous younger sister, Skipper. Now more than twenty years later, Paige has a theory that women are either Barbies or Skippers—and she still longs to play the superior role. Barbie women come readily stocked with beauty and accessories galore. Skippers are the younger sisters, impatient to grow up from their awkward adolescence and fill the high-heeled shoes of their glamorous sibling.

Confronted with a failed relationship, a dying father, and a legal entanglement, Paige is forced to look beyond packaging. Unlike Barbie, born with an empire of houses, clothes, and companions, Paige discovers the value of being what she considers to be less than perfect. With a new love interest and a renewed sense of self, Paige takes on the seemingly Barbie-dominated world around her with wit, style, and determination.

From reader reviews:

Robert Ford:

What do you about book? It is not important to you? Or just adding material if you want something to explain what the one you have problem? How about your extra time? Or are you busy person? If you don't have spare time to try and do others business, it is make you feel bored faster. And you have time? What did you do? Everyone has many questions above. They must answer that question due to the fact just their can do this. It said that about publication. Book is familiar on every person. Yes, it is right. Because start from on kindergarten until university need this specific Brown Roots, Blonde Ambition to read.

Bruce Alexander:

As people who live in the actual modest era should be upgrade about what going on or data even knowledge to make them keep up with the era that is certainly always change and make progress. Some of you maybe can update themselves by reading books. It is a good choice to suit your needs but the problems coming to a person is you don't know which you should start with. This Brown Roots, Blonde Ambition is our recommendation to make you keep up with the world. Why, because book serves what you want and wish in this era.

Jessica Bowman:

Precisely why? Because this Brown Roots, Blonde Ambition is an unordinary book that the inside of the publication waiting for you to snap the item but latter it will distress you with the secret the item inside. Reading this book beside it was fantastic author who else write the book in such awesome way makes the content interior easier to understand, entertaining approach but still convey the meaning entirely. So , it is good for you for not hesitating having this any more or you going to regret it. This phenomenal book will give you a lot of positive aspects than the other book have got such as help improving your talent and your critical thinking technique. So , still want to hesitate having that book? If I have been you I will go to the e-book store hurriedly.

Clara Williams:

You may spend your free time you just read this book this guide. This Brown Roots, Blonde Ambition is simple to deliver you can read it in the park, in the beach, train and soon. If you did not have got much space to bring typically the printed book, you can buy the particular e-book. It is make you easier to read it. You can save the actual book in your smart phone. Consequently there are a lot of benefits that you will get when one buys this book.
