Inspired by Essential Oils: Basic Guide Dr. Debbie Mcfarland

Comprehensive basic book for the usage and sharing of Essential Oils. My goal was to have a one stop mentor / training stop for both new and established doTerra Independent Product Consultants for not only how to have a healthy and prosperous business but encourages natural healthy solutions. One of my pet peeves is whack a mole approaches. This book helps you design a strategy And measure results. Includes "Where you are starting" - general health info including medications and medical history, "What are you willing to do about it?" - commitment to better health, "Plans for change" - Detox, supplements, blends and oils when, where and how to use. Includes healthy eating, detox, how to avoid toxins, anti-inflammatory grocery list and other valuable tools. The is "Medicine Cabinet Makeover" section with scripting, how to sign up, how to order, compensation plan, price list and other basic questions. Lastly there is a sharing section with goals, how to's, contact list and many other valuable nuggets.
