Steve Allen

Reflections Steve Allen

"Steve Allen does so many things, he's the only man I know who's listed on every one of the Yellow Pages." That's how protege Andy Williams once described Steve Allen. Noel Coward called him "the most talented man in America." Apt descriptions, indeed, for Allen is not only a comedian, but a prolific writer, composer, pianist, actor, and a serious thinker as well. Those who are familiar with Steve Allen only in his capacity as a comedian may find it surprising that he has produced a collection of thought-provoking observations on a variety of serious topics in his new book, *Reflections*. But anyone familiar with his two-volume study of the Scriptures - *Steve Allen on the Bible, Religion, and Morality* - or his incisive critique of America's declining intellectual standards - *"Dumbth": And 81 Ways to Make Americans Smarter* - will realize that Allen's serious side is at least as creative and interesting as his flights of comedic fancy.

Steve Allen is, for the most part, a self-taught intellectual. Perhaps this is the reason that he is able to write in a casual but clear, non-academic style, which makes even his weightiest ideas accessible to the average reader. And as befits a professional humorist, Allen displays his considerable wit from time to time in these pages. But by and large, his comments on assorted philosophical, political, and social questions are not only serious but challenging. No matter what issue he addresses - aging, happiness, heroes, justice, love, psychology, religion, sex, or TV - the popular humorist-and-philosopher-in-one always finds something fresh and insightful to say.

From reader reviews:

Neil Williams:

What do you with regards to book? It is not important with you? Or just adding material when you require something to explain what you problem? How about your free time? Or are you busy particular person? If you don't have spare time to do others business, it is make one feel bored faster. And you have spare time? What did you do? All people has many questions above. They should answer that question mainly because just their can do this. It said that about book. Book is familiar on every person. Yes, it is proper. Because start from on kindergarten until university need this kind of Reflections to read.

Kenneth Williams:

As people who live in typically the modest era should be update about what going on or info even knowledge to make these people keep up with the era which is always change and move ahead. Some of you maybe may update themselves by studying books. It is a good choice for you personally but the problems coming to you is you don't know what type you should start with. This Reflections is our recommendation so you keep up with the world. Why, since this book serves what you want and wish in this era.

Donna Bauer:

Reflections can be one of your beginning books that are good idea. Most of us recommend that straight away because this e-book has good vocabulary that can increase your knowledge in terminology, easy to understand, bit entertaining however delivering the information. The article author giving his/her effort that will put every word into enjoyment arrangement in writing Reflections but doesn't forget the main stage, giving the reader the hottest and based confirm resource data that maybe you can be certainly one of it. This great information can certainly drawn you into brand-new stage of crucial imagining.

Justin Davis:

Beside this kind of Reflections in your phone, it may give you a way to get more close to the new knowledge or information. The information and the knowledge you can got here is fresh from your oven so don't be worry if you feel like an older people live in narrow village. It is good thing to have Reflections because this book offers for you readable information. Do you occasionally have book but you would not get what it's all about. Oh come on, that will not happen if you have this with your hand. The Enjoyable set up here cannot be questionable, including treasuring beautiful island. Use you still want to miss it? Find this book and also read it from now!
